*Recognizing the supreme value and dignity of every human being, this **Central Coast Walk for Life** is designed to move people's hearts and end the scourge of abortion upon our great land. We join forces to bring to our nation's attention that over 50 million lives are missing from our midst today, having never been given the opportunity to see the light of day. We walk in peace and love and pray that every future child may have the chance to live. From the unborn to the elderly, EVERYONE deserves the chance to live!*

DONATIONS GREATLY APPRECIATED. *Please send to:*
